

**CONFIDENTIALITY AND PARTICIPATION AGREEMENT
BUG BOUNTY PROGRAM**

This Confidentiality and Participation Agreement (“Agreement”) is made and entered into as of the date last signed below or any earlier date agreed to by the parties (“Effective Date”), by and between ReCharge Inc., (“ReCharge”), and the individual set forth on the signature page below (the “Recipient”). In consideration of the mutual obligations in this Agreement and other good and valuable consideration, the sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Purpose. ReCharge and Recipient desire to have discussions and establish obligations regarding Recipient’s participation in ReCharge’s Bug Bounty Program (the “Purpose”) and ReCharge would like to receive input, suggestions and other feedback relating to such participation, including potential bugs identified by Recipient pursuant to the Bug Bounty Program (“Feedback”). In connection with such discussions, ReCharge and Recipient recognize (a) there is a need for ReCharge to disclose to Recipient and/or (b) Recipient may be otherwise exposed to certain highly sensitive and confidential information of ReCharge. ReCharge and Recipient agree that such information shall be used only for the Purpose, and that Recipient must protect such confidential information from unauthorized use by strict adherence to the terms and conditions of this Agreement.

2. Definition of Confidential Information. “Confidential Information” means (a) any technical and non-technical information submitted and/or disclosed by Recipient to ReCharge whether orally or in writing related to ReCharge’s infrastructure, network, storage, products, user interfaces, source code, specifications, or other ReCharge properties (the “ReCharge Assets”) and potential bugs, vulnerabilities, or other security weaknesses in ReCharge’s Assets (the “Submissions”), including for example and without limitation, information concerning software bugs identified by Recipient in ReCharge’s Assets; and (b) technical and non-technical information disclosed by ReCharge to Recipient whether orally or in writing, and whether or not marked confidential or proprietary, related to ReCharge’s Assets; business; current, future and proposed products and services; or security status, including for example and without limitation, remediation plans for any identified bugs, development, design details, or specifications. Confidential Information shall also include the terms

and conditions of this Agreement and the terms and conditions of the Bug Bounty Program.

3. Nondisclosure and Nonuse Obligations. Recipient shall (a) securely maintain the Confidential Information in trust and confidence; (b) not disseminate, or in any way disclose any of the Confidential Information to any third party, other than Authorized Agents (defined below) or otherwise as authorized by ReCharge in writing; and (c) not use any such Confidential Information for any purpose other than the Purpose. Recipient shall ensure that it prevents the unauthorized use, dissemination, or publication of the Confidential Information. Furthermore, Recipients shall not disclose the existence of any discussions or consultations in progress between the parties to any form of public media without the prior written approval of ReCharge.

4. Exclusions from Nondisclosure and Nonuse Obligations. Recipient’s obligations under Section 3 (Nondisclosure and Nonuse Obligations) shall not apply to any Confidential Information that Recipient can document was in the public domain at or subsequent to the time such Confidential Information was disclosed under this Agreement. A disclosure by Recipient of any Confidential Information (i) in response to a valid order by a court or other governmental body; (ii) as otherwise required by law shall not be considered to be a breach of this Agreement; provided, however, Recipient shall provide prompt prior written notice thereof to ReCharge and provide reasonable assistance to enable ReCharge to seek a protective order or otherwise prevent or contest such disclosure.

5. Ownership.

A. Subject to the terms of Section 5B below, all Confidential Information, and

any Derivatives (defined below) are the sole and exclusive property of ReCharge and no license or other rights to such Confidential Information, Derivatives or any intellectual property rights of ReCharge are granted or implied hereby. For purposes of this Agreement, "Derivatives" shall mean: (a) for copyrightable or copyrighted material, any translation, abridgment, revision or other form in which an existing work may be recast, transformed or adapted; (b) for patentable or patented material, any improvement thereon; and (c) for material that is protected by trade secret, any new material derived from such existing trade secret material, including new material which may be protected under copyright, patent and/or trade secret laws.

B. Except as might be specified in Section A above, ReCharge is not claiming any ownership rights to Recipient's bug submission. However, by providing the submission to ReCharge, Recipient:

i. grants ReCharge the following non-exclusive, irrevocable, perpetual, royalty free, worldwide, sub-licensable license to the intellectual property in Recipient's submission: (i) to use, review, assess, test, and otherwise analyze Recipient's submission; (ii) to reproduce, modify, distribute, display and perform publicly, and commercialize and create derivative works of Recipient's submission and all its content, in whole or in part, in connection with ReCharge's Bug Bounty Program; and (iii) to feature Recipient's submission and all of its content in connection with the marketing, sale, or promotion of this program (including internal and external sales meetings, conference presentations, trade shows, and screen shots of the submission in press releases) in all media (now known or later developed);

ii. agree to sign any additional documentation that may be required for ReCharge or its designees to make sure of the rights Recipient granted above;

iii. understand and acknowledge that ReCharge may have developed or commissioned materials similar or identical to Recipient's submission, and Recipient waives any claims Recipient may have resulting from any similarities to Recipient's submission;

iv. understand that Recipient qualifies for a one-time payment for each qualified vulnerability and are not guaranteed any other compensation or credit for use of Recipient's submission; and

v. represent that Recipient's submission is Recipient's own work and that Recipient has not used information owned by another person or entity.

C. Within five (5) days after any request by ReCharge, Recipient shall:

i. attest and acknowledge that (a) Recipient did not acquire any personal information from ReCharge of any of its customers or (b) if Recipient did acquire any personal information of ReCharge, no unauthorized use was made of such personal information. ReCharge reserves the right to make multiple requests for such attestation and acknowledgement; and

ii. destroy or deliver to ReCharge, at ReCharge's option, all materials in Recipient's possession or control (even if not ReCharge-furnished) that contain or disclose any of such ReCharge's Confidential Information. Recipient will provide ReCharge a written certification of Recipient's compliance with Recipient's obligations under this Section.

6. **NO WARRANTY.** ALL CONFIDENTIAL INFORMATION IS PROVIDED "AS IS" AND WITHOUT ANY WARRANTY, EXPRESS, IMPLIED OR OTHERWISE, REGARDING ITS ACCURACY, COMPLETENESS OR APPLICABILITY.

7. **Feedback.** By signing below, you (on behalf of yourself if you are an individual and your company if you are providing Feedback on behalf of the company) grant ReCharge under all applicable intellectual property rights owned or controlled by you or your company a nonexclusive, non-transferable, worldwide, perpetual, irrevocable, royalty-free license to use, disclose, copy, publish, license, modify, sublicense or otherwise distribute and exploit Feedback you provide for any purposes in the sole discretion of ReCharge. You warrant to the best of your knowledge that you have rights to provide this Feedback, and if you are providing Feedback on behalf of a company, you warrant that

you have the rights to provide Feedback on behalf of your company. You also acknowledge that ReCharge is not required to incorporate your Feedback into any version of the ReCharge products or services.

8. Disclosure of Third Party Information. Neither party shall communicate any information to the other in violation of the proprietary rights of any third party.

9. No Export. Recipient shall not use Confidential Information for any purpose or in any manner that would constitute a violation of any laws or regulations, including without limitation the export control laws of the United States.

10. Term. This Agreement shall govern all communications between the parties that are made from the Effective Date to the date on which either party receives from the other written notice that subsequent communications shall not be so governed; provided, however, that Recipient's obligations under Section 3 (Nondisclosure and Nonuse Obligations) shall continue in perpetuity with respect to the Confidential Information that such Recipient has received prior to the termination date unless such obligations no longer apply pursuant to Section 4 (Exclusions from Nondisclosure and Nonuse Obligations).

11. No Assignment. Recipient shall not assign or transfer any rights or obligations under this Agreement without the prior written consent of ReCharge. Any purported assignment or transfer of rights in violation of this Section is void.

12. Injunctive Relief. A breach by Recipient of this Agreement will cause irreparable and continuing damage to ReCharge for which money damages are insufficient, and ReCharge shall be entitled to injunctive relief and/or a decree for specific performance, and such other relief as may be proper (including money damages if appropriate).

13. Indemnity. Recipient agrees to indemnify ReCharge for any loss or damage suffered as a result of any breach of the terms of this Agreement, including any reasonable fees incurred by ReCharge in the collection of such indemnity.

14. Governing Law; Forum. This Agreement shall be governed in all respects by the laws of the United States of America and by the laws of the State of California, as such laws are applied to agreements entered into and to be performed entirely within California between California residents. Each of the parties irrevocably consents to the exclusive personal jurisdiction of the federal and state courts located in California, as applicable, for any matter arising out of or relating to this Agreement, except that in actions seeking to enforce any order or any judgment of such federal or state courts located in California, such personal jurisdiction shall be nonexclusive. Additionally, notwithstanding anything in the foregoing to the contrary, a claim for equitable relief arising out of or related to this Agreement may be brought in any court of competent jurisdiction.

15. Severability. If a court of law holds any provision of this Agreement to be illegal, invalid or unenforceable, (a) that provision shall be deemed amended to achieve an economic effect that is as near as possible to that provided by the original provision and (b) the legality, validity and enforceability of the remaining provisions of this Agreement shall not be affected thereby.

16. Waiver; Modification. If a party waives any term, provision or a party's breach of this Agreement, such waiver shall not be effective unless it is in writing and signed by the party against whom such waiver is asserted. No waiver by a party of a breach of this Agreement by the other party shall constitute a waiver of any other or subsequent breach by such other party. This Agreement may be modified only if authorized representatives of both parties consent in writing.

17. Entire Agreement. This Agreement, along with the terms in the ReCharge Bug Bounty Program, which is incorporated here by this reference, constitute the entire agreement with respect to the Confidential Information disclosed hereunder and supersedes all prior or contemporaneous agreements concerning such Confidential Information, written or oral. In the event of a conflict between the terms of this Agreement and the Bug Bounty Program, the terms of this Agreement shall control.
